Mahaguru Educational Trust

Forward

During a casual discussion Guru Govinda Bhat, the Guru of Shishunaala Sharif opines that, it is very difficult for someone to get a good Guru and it is equally difficult for a Guru to find a good *Shisya*. Blessed are the students from JTS, School Hubli for finding a great Guru in Shri Shridhar Sir. Blessed also is Shri Sridhar Sir for finding not one but so many good students.

One such good student, Shri. Ajit Prabhu arrived on 3rd August 2014, when the Trust meeting held in Hubli to distribute scholarships for the year 2014-15. Ajit Prabhu is one of Sir's most remembered students. He is the CEO of QuEST which he founded along with other colleagues. Like his Guru he also was on a mission to help students for their education. To achieve his mission he chose to become a member of the Trust and donate funds towards scholarships.

Number of '50', is a half century for a batsman. Number '50' is what makes a Jubilee a golden one. Number '50', for Mahaguru Trust, is the number of students that the Trust awarded scholarships for the year 2014-15. It is a remarkable achievement for the Trust. Ajit Prabhu helped to expedite to achieve the milestone faster.

Congratulations to all Trust members for achieving this milestone.

For some reason I couldn't write newsletter for the year 2013-14. I have added the list of scholars for the year 2013-14 in this year's newsletter.

Thank you!!

Message from the Chief Mentor,

I am simply delighted to observe the evolution of the Trust uninterruptedly. This exudes confidence that it would grow into a successful charitable trust in the coming years. I thank all the members of the Trust for their co-operation.

-Shri. C.S. Shridhar, Chief Mentor, MET

Scholarship Distribution

The scholarship distribution ceremony for the academic year 2014-15 was conducted at Maverick English Institute, Hubli, on Sunday, 3rd August of 2014.

Shri Ajit Prabhu, CEO, QuEST was invited as the Chief Guest for the function and Shri G. C. Thallur, former Secretary, Govt of Karnataka was invited as the Guest of Honour. Shri Vivek Pawar, CEO, Sankalp Semiconductors was invited to be the Keynote Speaker.

Shri Vinay Nayak, Vice-President, MET opened the ceremony by officially inviting the Chief Guest, the Guest of Honour and Keynote Speaker.

Trust President, Shri Mahesh Patil during his address communicated that the Trust is set to award scholarships to 50 students. He thanked and congratulated the Trust members for achieving this milestone.

Shri Vivek Pawar, citing his own experience, stressed on the importance of having high goals in life to be successful, for how having a low goal had a bad impact early in his life.

Shri Ajit Prabhu remembered how his Guru's teachings changed his mind on choosing Science instead of Arts. "I wanted to become a lawyer by studying Arts. But Sir taught me Science in such a wonderful way that I changed my mind to study Science. Because of this it was possible for me to found a Technology company and also run it," Ajit said.

Current Year Scholars

This year, for scholarship, students were selected based on their performance in PUC examinations. Applications for scholarships were invited through newspaper advertisement. The advertisements were published in Hubli and Mangalore edition of newspapers. The
